## Shop Around Single-Deck Island With Curved Glass

**HUSSMANN®**

RI1 - Self-Service Single-Deck Island With Curved Glass for Medium Temp Deli Products Such as Sandwiches, Cheeses, Salads, Etc.

Available in 8', 10', 12', 14', 16' and longer lengths in 2' increments.

### Single Deck, Easy Access Display

The large single deck display on the RI1 creates an excellent, easy access merchandising platform with every product in full view. The curved glass on sides and ends creates an attractive, smooth contour around the island.

### Focuses Attention to Increase Sales

The RI1 places every item at center stage ... within easy reach and with unobstructed visibility. Use the RI1 to place high margin items on a display that really attracts attention.

### Excellent Reliability and Performance

The RI1 maintains superior standards of reliability and quality. It combines world-class Impact technology with specialty styling ... so you get excellent reliability, excellent performance and excellent merchandising features.

### Non-Refrigerated Top Display

To accent your creative product display, the RI1 comes with a non-refrigerated top area that can be used for products and décor items that complement your in-case merchandising.

NOTE: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% R.H.

NOTE: (We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.)
