D6NX

IMPACT EXCEL

Narrow Footprint Extra Tall Multi-Deck Dairy/Deli Display

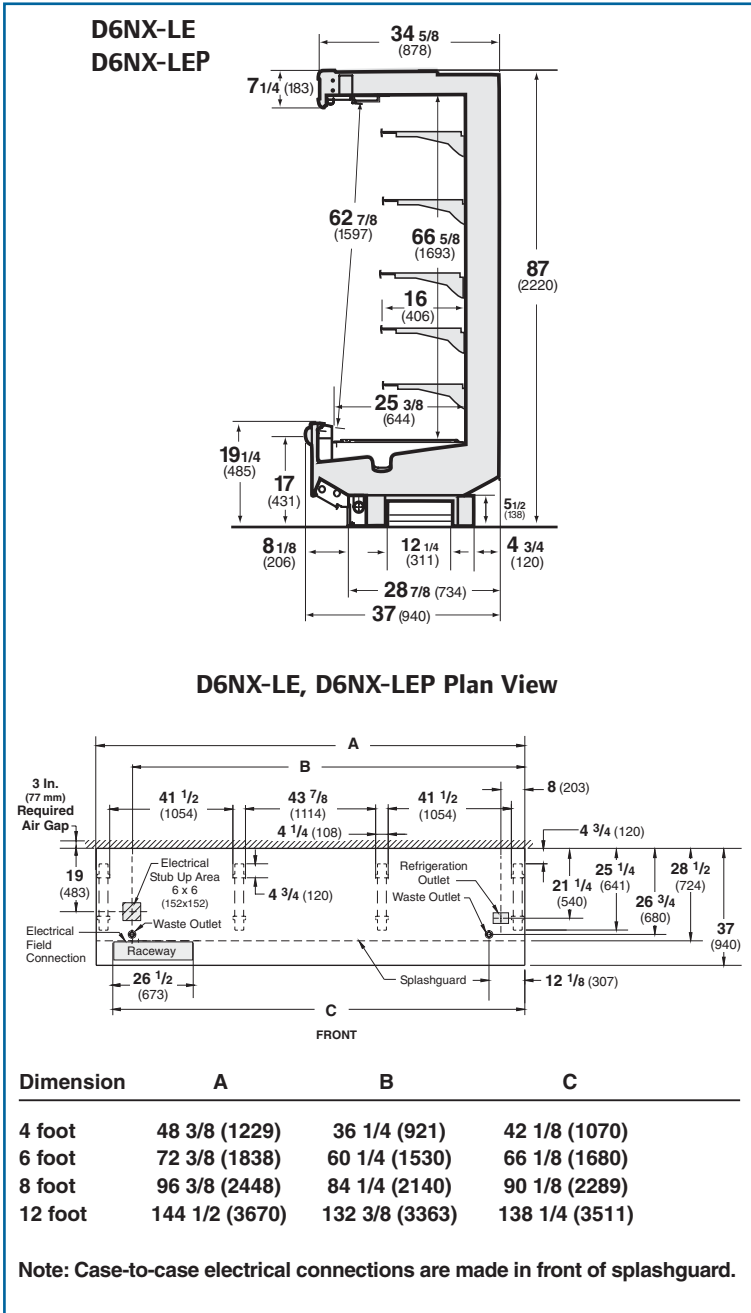

Narrow Footprint, Extra Tall Multi-Deck Dairy/Deli Merchandisers

D6NX-LE Extra Tall, Narrow Footprint Dairy/Deli

D6NX-LEP Extra Tall, Narrow Footprint Dairy/Deli With E-Plus
 "Extra High Efficiency" Coil

Available in 4', 6', 8', & 12' lengths.

Superior Merchandising

The extra tall D6NX allows more product facings than the standard D5X or D5NX. The narrower footprint reduces required floor space. Other merchandising features include full vision glass ends, illuminated canopy signs, improved ledge lighting and greater shelf placement flexibility.

Lower Energy Costs

The D6NX comes with energy efficient "E" coils on "E" models. The "extra high efficiency" E-Plus coils are standard on "EP" models. Night curtains can be added to further reduce energy use by about 12%.

Superior Shelf Life

Modular coils and off-time defrost work to reduce thermal shock and stabilize product temperature, resulting in better freshness and longer shelf life. Modular defrost, optional, can further stabilize temperatures.

Lower Labor Costs

Labor saving features include greater clearance under the case, easy-to-clean bathtub bottom, adjustable feet, easier raceway access, 2' honeycomb sections and more.

Superior Reliability

Our five year modular coil warranty is the best available. Pre-set expansion valves are designed to hold optimal temperatures throughout the life of the case.

Note: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% RH.

Note: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or shipped.

Note: Please use Husmann's technical data sheets to get precise dimensions for all store layout purposes.
