P4X-E  
P4X-EP

Note: Please use Husmann's technical data sheets to get precise dimensions for all store layout purposes.

### P4X-E, P4X-EP Plan Views

Dimension	A	B	C
4 foot	48 3/8 (1229)	36 1/4 (921)	42 1/8 (1070)
6 foot	72 3/8 (1838)	60 1/4 (1530)	66 1/8 (1680)
8 foot	96 3/8 (2448)	84 1/4 (2140)	90 1/8 (2289)
12 foot	144 1/2 (3670)	132 3/8 (3363)	138 1/4 (3511)

Note: Overall case length without ends or partitions

## Superior Merchandising

The P4X creates a dramatic, highly flexible display with a wide assortment of product types. Superior display features include full vision glass ends, illuminated canopy signs, improved ledge lighting, greater shelf placement flexibility and more.

## Lower Energy Costs

The extra high efficiency E-Plus coils reduce energy costs by 18% compared to a standard Impact produce multi-deck. Optional night curtains further reduce energy costs by 12.6%.

## Superior Shelf Life

Modular coils and off-time defrost reduce thermal shock and stabilize product temperatures, resulting in longer shelf life. Modular defrost, optional, further stabilizes temperatures.

## Lower Labor Costs

Labor saving features include greater clearance under the case, easy-to-clean bathtub bottom, adjustable feet, easier raceway access, 2' honeycomb sections, easily removable interior panels and more.

## Superior Reliability

Our 5 year modular coil warranty is the best available. Pre-set expansion valves are designed to hold optimal temperatures throughout the life of the case.

Note: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% RH.

Note: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or shipped.
